Dogs..??

We are on a
sheep farm in
lambing season!

If you must bring
your dog, it must be
quiet and obedient.

All dogs must be registered
with us. There is a £5 deposit.

It is vital that your dog be kept
securely tethered, or on a lead
(with an adult attached), for the
duration of your stay with us.

If your dog causes trouble,
you will both be asked to leave
the site quickly & peaceably.

Or visit us Saturday 2nd & 9th May
for a taster...
